Additional Information:

I. Teaching Effectiveness

Evaluate the instructor's performance in teaching based on student feedback, peer observation (if applicable), adherence to syllabi and learning objectives, grading fairness, and classroom engagement.

II. Course Materials and Professionalism

Evaluate punctuality, timely grade submission, communication with students, syllabus completion, and adherence to university/college policies.

III. Collegiality and Contribution to Department

Evaluate cooperation, reliability, and contribution to departmental goals (e.g., attending meetings when invited, supporting curriculum consistency).
